

# Biography: Hasting Washington Johnson

## Introduction

Dr. Hasting Washington Johnson was born in Nassau, Bahamas, on September 10<sup>th</sup> 1970. His parents Hasting and Lillian Johnson were natives to Eleuthera. Dr. Johnson currently serves as a Senior House Officer / Acting Medical Officer at The Department of Corrections (Nassau Bahamas) and has been doing so for approximately ten years. His forte not only includes medical treatment of his patients; but he is also a skilled team manager and Biblical financial specialist.

A trained manager since age nineteen, he has worked nationally and internationally.

A medical doctor by profession, he is the husband of one wife

(Dr. Rhea Johnson) and father of one son (Hasting Joshua Johnson) and two daughters (Sarah & Ruth). The couple prefers to be titled: Ambassadors for the Kingdom of God.

Their passion includes teaching:

1. **“Essential elements of Health”**
2. **“Sex Education for Parents”**
3. **“Principles for economic Stability” with emphasis on the power of debt free living.**

One of their greatest achievements is their decision to live debt free in a Debt stricken world.

On May 31<sup>st</sup> 2012 they paid off a substantial student loan, incurred whilst in medical school.

Payment of this fifteen year loan was accelerated and paid off (eight years ahead of the calculated date of completion).

He holds a Bachelor of Science in the field of Zoology with a minor in Botany from The University of the West Indies (Jamaica 1995). In 2005 he obtained his undergraduate degree in Medicine and Surgery from the University of the West Indies Faculty of Medical Sciences (Trinidad/ Nassau).
